SMALL ENTITY STATUS — REQUEST FOR REFUND

Attention: Refund Section

SIR:

On April 23, 2009, Applicants erroneously paid the Issue filing fees in the amount of \$755 for small entity status. Applicants hereby claim large entity status, and respectfully submitted the large entity fee of \$1190 soon after. That was also done in error because the fee should have been \$1510 for a Utility application instead of a Plant application. I spoke with Derek Rich of the Electronic Business Center and was instructed to request a refund in the amount of \$435 for the overage of the two payments. The Applicants therefore request that a refund in the amount of \$435 be credited to Kenyon & Kenyon LLP Deposit Account No. 11-0600, representing the erroneous issue fees paid and recorded on the Electronic Patent
